

Full-surface and sustainable packaging design

PRICE-CONSCIOUS SUN PROTECTION WITHOUT COMPROMISE

derby parasols: stylish protection and quality for every taste and budget.

doppler offers three parasol series under the derby brand for budget-conscious customers. The range includes the cantilever series "Ravenna" and the centre pole series "Como" and "Basic". These series are characterised by proven quality and an attractive price-performance ratio. Derby parasols are durable and offer a variety of designs, colours, and functions. The cantilever series impresses with flexibility and large shading, while the centre pole series stands out with a variety of colours and models. Overall, Derby provides a suitable solution for every taste and need, ensuring both comfort and sun protection.

BASIC 300

LIFT

Easy to open and close thanks to the convenient crank operation. The canopy is removable and can be washed by hand. The good fade resistance and the high UV protection of 50+ make this model particularly attractive.

COLOUR VARIATIONS

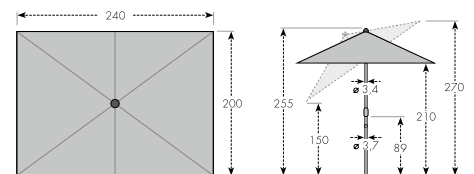

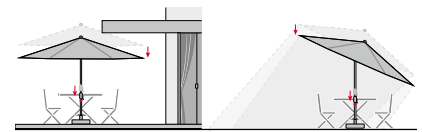

BASIC 250 x 200

LIFT

Comfortable operation with crank. The parasol can be tilted and therefore also offers sufficient protection against the low sun. The good fade resistance and the high UV protection of 50+ make this model particularly attractive.

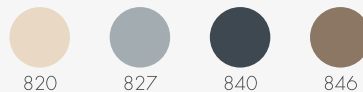

15 cm height adjustable
